

Guardian Alarm Co. has a potential opportunity for your fire inspectors and fire fighters. We need help in performing annual fire alarm inspections throughout the metro area. We propose to do this on a contract basis and would like to interview any current or retired Fire Department personal that may be interested in performing this service for us. We will work around the individuals' weekly schedule but all inspections will occur Monday through Friday between the hours of 8:30 A.M and 5:00 PM.

If any one of your staff members, current or retired, is interested, please contact one of the following Guardian team members:

Tom Furlong: (248) 233-1612, or, **Guy Payne:** (248) 233-1613

Thank you,

Wayne Larson
Guardian Alarm Co.
